RIBERA DE XÚQUER
un riu d'experiències

Our Association:

We recommend discovering this amazing territory located to the south of Valencia city through experiences that are sure to surprise you and show you many of its treasures. Citrus groves and paddy fields surrounding the Albufera lake, one of the most spectacular wetlands in Europe. The River Xúquer is the backbone of an area that is extremely diverse in landscapes and activities for tourists. Enjoy the chocolate or learn how to make a genuine paella.

Experiencias CV

www.experienciascv.es/es/inicio

Experiencias CV is a project by Turisme Comunitat Valenciana.

It was set up with the objective of showcasing tourism in the Region of Valencia and developing tourism products that could be marketed as packages. Turisme Comunitat Valenciana kicked off the CreaTurisme strategy to develop and promote highly specialised, segmented tourism products based on experiential tourism.

The first visible result of this strategy saw the birth of ExperienciasCV, as an open platform of tourism experiences to promote and launch on the market the proposals created by companies in the Region of Valencia.
